

PENGARUH PERCEIVED USEFULNESS DAN PERCEIVED RISK TERHADAP KEPUTUSAN PENGGUNAAN UANG ELEKTRONIK DANA

ABSTRAK

Abstract: This study aims to determine the effect of Perceived Usefulness and Perceived Risk Against Decisions on the Use of Electronic Money Dana. This study uses quantitative methods with Probability Sampling techniques. A sample of 130 respondents selected were consumers aware of or have used the Dana electronic money application. The results show that the Perceived Usefulness and Perceived Risk each have a significant influence on the Decision on the Use of Electronic Money Dana. In addition, Perceived Usefulness and Perceived Risk together have a influence on the Decision on the Use of Electronic Money Funds.

Keywords: perceived usefulness, perceived risk, decisions of use
